Deeply cleanses pores and evens out skin tone!

Code 02216 - **\$55** (\$58 Canada)
Net Wt. 5.64 oz. / 160 g

Product Overview

Regular masking is an important part of achieving healthy, youthful-looking skin, and Noevir's Clay Mask is the perfect addition to your regular skincare regimen—especially if you have concerns such as excess sebum, clogged pores and dull skin. Powered by natural minerals and skin-nourishing ingredients, the Clay Mask feels luxurious on your skin, while it deeply cleanses pores and evens out skin tone. This rinse-off mask effectively removes dead skin cells and imbedded impurities without stripping the skin of its moisture. The result is soft, revitalized and balanced skin with a beautiful youthful glow.

Suitable for all skin types.

Key Features & Benefits

- Contains Bentonite and Kaolin clay to absorb excess sebum and imbedded impurities, while refining texture for a clearer complexion.
- Uniquely formulated with sea silt obtained from ancient seabeds to help purify pores as it delivers beneficial nutrients to hydrate your skin.
- Enriched with carefully-selected botanical extracts from Argan fruit, macademia seed and mango seed to soothe and deeply replenish skin—an excellent combination to help fight the visible signs of aging and protect against various environmental aggressors.
- A calming fragrance of bergamot and lavender relaxes the senses, further enhancing the benefits of the beauty treatment.

Usage Guide

Apply a liberal amount evenly over the entire face, avoiding the hairline, eye and mouth area. Leave on for 2-3 minutes and rinse thoroughly with lukewarm water. Gently pat dry and follow with the balancing lotion of your regular skincare regimen. Use 2-3 times per week.
