TOKARA

## Gifts from the Sea!

Nestled between the Pacific Ocean and the East China Sea, the Tokara Islands are an unspoiled paradise encircled by possibly the **world's purest waters**, delivering true beneficial gifts from the sea!

- **Patented refining process in Japan.** Noevir uses trained divers to extract highly concentrated sea minerals (Sea Salt and Bittern) and along with our patented refining process have created our uniquely effective Tokara series of products.
- **Tokara Sea Mineral Series for Hair** delivers a rich bounty of sea minerals and marine extracts to leave your hair clean, healthy and shiny.
- **Tokara Sea Mineral Series for Body** contains highly concentrated sea minerals and marine extracts to gently cleanse and boost moisture—for soft, smooth, hydrated skin.
- **Tokara Eco-friendly Refills available.** Noevir is proud to offer economical refills to help preserve the environment!

## Tokara Shampoo & Conditioner
