Noevir is touting a very special anti-aging cream featuring nano-technology and luxurious ingredients. At \$850, Speciale is the Japanese firm's most expensive treatment to date.

94 HAPPY • May 2009 • www.Happi.com

"Despite the plunging economy, there are women out there who always desire to become youthful at any age. Speciale is the most exclusive treatment cream that offers the most advanced technology, the most sumptuous texture and the most glorious results."
