## Product Overview

Properly moisturized skin not only feels and looks great—with a smooth texture and glowing complexion—it is also better prepared to defend against environmental irritants and overall appearance of premature aging. Practicing a well-rounded skincare regimen goes beyond the basics and helps achieve clear, smooth, youthful-looking skin that appears more radiant.

The Noevir 105 Line was created to promote skin's perfect moisture balance to prevent dehydration, roughness and dullness, while encouraging firmer, younger-looking skin. Its advanced formula emphasizes skin's moisture producing power as well as increased water circulation in the skin. Noevir's exclusive combination of specially-selected botanical extracts addresses early signs of premature aging while assisting the skin in maintaining deep hydration and soothing properties.

*Ideal for normal to dry, or combination skin.*

## Key Feature & Benefits:

- Baikal skullcap root extract: Helps skin produce moisture by supporting its natural moisturizing factor (NMF) and protecting the outermost layer of the skin.
- Penta tea leaf extract: This herbaceous vine from the gourd family has been used in Traditional Chinese Medicine for thousands of years to promote overall health. In the 105 line, it assists with water circulation in the skin, while promoting plump, supple-looking skin.

It soothes and intensely moisturizes while helping to maintain continuous hydration for plump, supple and radiant-looking skin.
- Hibiscus and Chamomile extracts: This combination helps prevent dullness and roughness. Synergistically blended to help support skin's natural turnover by promoting gentle exfoliation for radiant, youthful-looking skin.
- A total of 25 exclusive botanical extracts: Work synergistically to promote the optimum balance of moisture while targeting early signs of aging.
- Soluble collagen: Helps to improve skin tone while forming a protective barrier on the surface of the skin to prevent moisture loss.
