## Product Overview

This retractable lip liner applies evenly and effortlessly while protecting your lips from dryness. The silky-smooth formula combines botanical oils from grape seed, olive fruit and jojoba seed to soften and moisturize the delicate lips. Its beautiful, high-intensity color glides on smoothly without pulling the skin around the lips. A unique rectangular shape with rounded edges allows for easy application.

## Key Features & Benefits

- Long-lasting color glides on smoothly without drying out lips.
- Formulated with botanical oils of grape seed, olive fruit and jojoba seed to moisturize the delicate skin on the lips.
- Retractable dispenser allows for effortless application with detailed precision for any desired look.

## Usage Guide

Gently turn to reveal the tip of the lip liner and apply directly to the lips. Use thinner side to define your lip line, or lay it flat and use the broader side to fill in and cover the entire lips.
