Sign up a NEW Consultant in October and earn \$50 Cash Back!

Want to earn a quick \$50 cash back, just in time for the holidays? Then this is your chance! During the month of October, you can earn \$50 cash back when you qualify as a **Unit Leader or above (by level)** and sponsor one **personal recruit with an order of \$200 SRP or more by October 31**.

To qualify, your level needs to be Unit Leader or above in October. Also, the new recruit has to be a new consultant (no re-registers) and the \$200 SRP order must be on one invoice. A new Vie deLight Autoship Preferred Customer will also allow you to qualify for the \$50 cash back.

Please Note: You may only earn one \$50 cash back during the month of October. If you have more than one new consultant with \$200 SRP, only the first will qualify. Re-registered consultants do not qualify as new consultant. Must be a brand-new recruit. In the event a new recruit ends up returning the products, and there are no replacement qualifying recruits, the \$50 cash back will be deducted from next month's bonuses. Shipping address must be the applicant's address only. If it's shipped to the sponsor, upline or other person, it will not qualify. For a Will Call pick-up order, it must be picked up by the new consultant. If picked up by the sponsor, upline or other person, it would not qualify. Business aids do not qualify with this offer. Bonus payment will be paid mid-November.
