Product Overview

BIOSIGN Blanc Beauté is the most innovative brightening serum that is designed to work directly and continuously to help reduce the appearance of age spots, discolorations and uneven skin tone. Its multi-tasking formula uses an advanced blend of plant extracts, vitamins and antioxidants to promote a clearer, brighter complexion. The light, creamy serum instantly absorbs into the skin as it brightens and illuminates skin for a beautiful, youthful glow. Perfect for anyone who wants to diminish the appearance of existing and newly formed dark spots and uneven pigmentation to achieve a more translucent complexion.

Suitable for all skin types, including sensitive skin.

Key Features & Benefits

- Skin-brightening ingredients, such as Cnidium, brown seaweed and kiwi fruit, promote translucent, radiant-looking skin. In addition, a unique combination of botanicals, such as Japanese rose, Isodonis and Gardenia fruit extracts, works to improve the appearance of age spots, blotches and uneven skin tone.
- A stabilized vitamin C absorbs into the skin where and when its needed to brighten the skin, while powerful antioxidant vitamin E helps to protect from damaging effects of free radicals, resulting in synergistic benefits for a youthful complexion with increased luminosity.
- Combines soothing ingredients of licorice and rice bran extracts to deeply moisturize the skin while aiding the skin-brightening process.
- Potent mushroom extracts further help to fight damaging effects of various environmental factors to prevent dark spots and discoloration.
- Created to multi-target the appearance of existing spots as well as future formation of discoloration—all while promoting skin's moisture content, radiance and luminosity.

Usage Guide

Use morning and night after the toning step (balancing lotion) of your regular skincare line. Dispense about 2-3 pumps and spread over the entire face. Follow with the moisturizing step. For best result, use BioSign Inner Treatment, followed by your balancing lotion, then use BioSign Blanc Beauté, morning and night, to enhance the brightening benefits.
