

Let's Go to Japan with New Business Builders

Japan Trip Campaign
November & December Only

Move up to UL and UD in November and December and earn additional points for our much-anticipated Japan Trip!

Did you know that over the next two months, you have a unique opportunity to earn additional Japan Trip points just for building your business? As an added reward in November and December, moving up to UL will give you **one Japan Trip point**, and advancing to UD **two Japan Trip points**; but if you achieve **BOTH UL and UD in November and December**, you will earn an **additional two points—for a total of FIVE extra points!**

That means, by achieving both UL and UD over the next two months, you could be FIVE points closer to the trip of your dreams!

For existing directors, we will award **one extra point for maintaining UD** level in November and December (includes re-qualified UD's).

This is a great way to increase your business and at the same time earn points for Japan, so start working towards your goals now! We would love to have you with us when we head to Noevir's homeland of Japan next spring!

November / December only:

Achieve UL: 1 Japan Trip point

Achieve UD: 2 Japan Trip points

Achieve both UL and UD: Additional 2 points (for a total of 5 points!)

Maintain UD: 1 Japan Trip point
