

NHF Hair Care Series

NOEVIR

Noevir Hair Formula

NHF Deep Serum

2.82 oz. Code 07520 - **\$33** (\$35 Canada)

Product Overview

NHF Deep Serum was created to nourish and revitalize hair, while adding beautiful shine and luster. This rich hair treatment helps renew and restore dry, damaged hair with a luxurious formula of deep-penetrating emollients that reinforce hair structure and restore gloss and shine. NHF Deep Serum also helps protect hair from environmental damage and is specially formulated to make your hair strong, healthy and soft to the touch.

Usage Guide

Apply a liberal amount to hair after towel drying and before styling, concentrating on dry, damaged ends. This product is meant to be used in addition to your regular conditioner/deep conditioner. For best results, use together with NHF Hair Water.

NHF Hair Water

6.76 fl. oz. Code 07521 - **\$22** (\$23 Canada)

Product Overview

Ideal for all hair types and conditions, this unique formula adds lustrous shine to your hair, while protecting it from dryness, caused by external heat and blow dryers. Noevir Hair Formula (NHF) Hair Water also helps smooth hair texture, control volume and extend the life of color treated hair. It's convenient, easy to use, and best of all, provides lasting results!

Usage Guide

For added shine and manageability, simply mist from roots to tips before styling. May also be used on dry hair before shampooing to help extend color treatment and minimize tangling, split ends and friction.
