

Noevir Green Charity Awareness Month

Help us help others this November by promoting Vie deLight and our Vie deLight Autoship Program—and earn valuable Japan Trip points along the way!

November 1-30, 2018

During November, Noevir USA will be **donating 10 U.S. cents for each Vie deLight item sold** in North America to the Noevir Green Charity—that's 10 times the regular amount donated! All proceeds will go to the **Manaslu Foundation**, a non-profit organization that supports children in some of the most remote and deprived villages in the Himalayas through school construction, charity and nature preservation.

But that's not all! If you promote our Vie deLight Autoship Program, you could also earn **extra points towards our exclusive Japan Trip!** There are two ways to earn points:

1. Recruit a new or re-registering consultant on Vie deLight Autoship and you both get one (1) point each towards Japan trip (Sponsor and Signup)! There are no limits on the number of new Vie deLight recruits. As their sponsor, you will receive one (1) point per qualified recruit.

Donation with purchase! + You as a Sponsor + New/re-registered Consultant sign-up on Vie deLight autoship

2. Sign up for Vie deLight Autoship yourself, and earn one (1) point towards a trip to Japan. Available for all existing consultants as well as new/re-registering consultants.

Donation with purchase! + You (Consultant) sign-up on Vie deLight autoship

Please contact your local Noevir Business Development Associate for more details / information or simply call: **1-800-872-8888**
