Speciale Premium Coffret with Gel Mask & Gel Fragrance

Speciale Lotion (NET WT. 0.67 FL. OZ. - 20 mL)

Unique two-in-one formulation to enhance absorption of Speciale Cream for perfect rejuvenation and a beautiful, younger looking skin.

How to use: Use a.m. and p.m. after the cleansing step of your regular skincare regimen. This Speciale Lotion replaces the toning and moisturizing steps of your basic skincare regimen. Dispense about 1-2 teaspoons into the palm of your hand and gently spread over the entire face. Follow with Speciale Cream.

Speciale Cream (NET WT. 0.24 OZ. - 7 g)

This ultimate, all-in-one anti-aging cream that treats various skin concerns and provides visible results for a beautiful, youthful appearance.

How to use: Use a.m. and p.m. after the moisturizing step of your regular skincare regimen. Use the spatula to apply a small amount and gently spread over the entire face.

Speciale Gel Mask (NET WT. 0.67 FL. OZ. - 20 mL x 2 Sheets)

This luxurious Gel Mask, pre-soaked in serum, adheres to your face like a second skin enhancing the absorption of moisture and nutrients. Cool on contact, this intensely hydrating mask immediately relaxes and replenishes your skin for youthful and radiant appearance. The soothing scent of Bulgarian rose calms and relaxes your mind.

How to use: Use after cleansing step of basic skincare regimen. Place the gel mask over your face, pressing it gently to ensure its close adherence to the skin. Leave it on for 10-15 minutes and remove the mask. Massage face gently until the remaining serum is completely absorbed. Follow with Speciale Lotion and Speciale Cream. To remove mask from the packet: Gel Mask is placed between protective sheets (a soft sheet and a hard paper backing). Gently peel off the gel mask in the middle and unfold. Either side can be used.

Speciale Gel Fragrance (NET WT. 0.35 OZ. - 10 g)

This highly concentrated Gel Fragrance provides long lasting scent of precious Bulgarian rose. Well known for its delicate and elegant aroma, Bulgarian Rose is a delightful treat to all your senses! Perfect for travelling, the clear gel is easy to carry and apply wherever you go.

How to use: Dispense directly from the tube or take small amount on your fingertip. Apply on your wrist, neck, chest or ankle. Clean the opening of the tube with a tissue paper and close the cap tightly after each use.
